Dear Mr. Fawcett,

On behalf of everyone at STARS, thank you for your significant support of the STARS Lottery 2009. Your contribution is tremendously appreciated and makes a difference in the lives of those in need of critical care and transport.

The STARS Lottery provides a major source of funds for training and operations and continues to be an integral part of keeping STARS in the sky. Your support of the STARS Lottery 2009 helped raise a net total of 10 million dollars and played a very important role in the overall success of the STARS Lottery.

Today, STARS has bases in Calgary, Edmonton, and Grande Prairie, and has a total of five helicopters. In 2007, we also added a new Foundation office in Lethbridge. Since December 1, 1985, approximately 17,500 critical care missions have been flown. The commitment on the part of our donors and supporters makes it possible for STARS to provide a vital service when it is needed most.

Thank you again. Your commitment to the STARS Lottery is making a difference at STARS and in your community.

Sincerely,

Pamela Ison Reilander
Resource Development Manager
STARS Foundation
